

YOUNG LEARNERS

Course description

FOR WHOM?

The course is dedicated to school students aged 7 - 12 and the focus is on preparation for the international exam Cambridge Assessment English: YOUNG LEARNERS.

WHAT LEVELS ARE COVERED?

The classes are taught at PRE-A1 level with expansion to A2+ CEFR level in the form of group and individual courses.

WHY ARE OUR COURSES COOL?

We close our groups at 6-8 students, so we know the needs of each student. They are never faces in the crowds, we approach everyone individually. During classes we practice all necessary language skills: listening, speaking, reading and writing.

WHO TEACHES THE COURSES?

The classes are taught by a native speaker and a qualified teacher, only in English, which allows for immersing students in a natural English-speaking environment.

OUR METHOD

The classes are designed with our DNA OF LEARNING ENGLISH method, which combines natural acquisition of English with a teaching programme focused on exam techniques. A modern blend of those areas supports students in their balanced development of language skills according to the Common European Framework of Reference for Languages.
