

# FCE for Adults course

## FOR WHOM?

The course is dedicated to adults and the focus is on preparation for the international exam Cambridge Assessment English: B2- FIRST (FCE)

## WHAT LEVELS ARE COVERED?

The classes are taught at **B2** level with expansion to **C1** CEFR level.

## WHY ARE OUR COURSES COOL?

We close our groups at 6-8 students, so we know the needs of each student. They are never faces in the crowd, we approach everyone individually. During classes we practice all necessary language skills: listening, speaking, reading and writing.

## WHO TEACHES THE COURSES?

The classes are taught by a native speaker and a qualified teacher, only in English, which allows for immersing students in a natural English-speaking environment.

## OUR METHOD

The classes are designed with our **DNA OF LEARNING ENGLISH** method, which combines natural acquisition of English with a teaching programme focused on exam techniques. A modern blend of those areas supports students in their balanced development of language skills according to the Common European Framework of Reference for Languages.

## OUR MISSION

We believe that there is potential in everyone. We share our experience to equip you with opportunities to grow and prepare them for their international adventure with English.
